What is Relay For Life?

The American Cancer Society Relay For Life is the world's largest fundraising event to end cancer, uniting Crow Wing County to fight back against this disease. Teams of 2-20 individuals camp out and take turns walking around a luminaria lit path, while entertainment, music, and fun activities keep things lively. Symbolizing the battle waged around the clock by those facing cancer, Relay lasts early into the morning.

What happens at a Relay for Life event?

- Opening Ceremony 6:00pm: Participants and survivors celebrate what they've overcome. We kick off the event with a Survivor and Caregivers lap.
- Luminaria Ceremony at Dusk: We remember loved ones lost to cancer, and honor people who have fought or are fighting cancer.
- Closing Ceremony and Final Lap 2:30am: Be inspired to take action against a disease that has taken so much.
